### Not the best of starts

Forest went into this match with high expectations, and from the first minute showed the potential that all the coaching staff knows the team has. After five minutes Forest had dominated the play with some very good football, but Rockets lived up to their name with some very quick strikers.

With one or two members of defence slow to clear their line a Rocket striker burst through and their only shot on the Forest goal was decisive. 1-0. Pressure continued at the other end, but again a break and Forest found themselves down by two.

This set the tone for the rest of the game, with Forest being the most dominant of the two sides yet periodically leaking goals from a quick attack.

Towards the end of the second half and after changing the formation to a 2 -5- 3- 1 continual pressure led to Oliver Newton getting on the end of a rebounded ball to restore some pride. From then on some exquisite combination play between Alex B and Oliver on the left, with Ade, Mathew and Harry in the centre and Robert on the Right created chance after chance but it was not to be our day. For some brilliant defensive control of the back line, supportive captaincy and individual skill the MoM was well deserved by Reece
