A good day at work

After last week's resilient performance against the division leader, Forest entered this game with a stable formation tested in past weeks and one that showed promise.

Right from the kick off Forest dominated all the play; rarely did the ball enter our half.

Wave after wave of attacks lead to Harry finding the back of the net after only 6 minutes.

This was quickly followed up by Thomas securing his first goal of the season that eventually would leave him celebrating a well-deserved hat trick.

With opportunities coming thick and fast, a determined effort throughout the game by Robert was rewarded by his first of the season as well as Reece scoring from a rebounded clearance after a Forest corner.

In conclusion it was a dominating performance that had Alex in goal with very little to do, a solid back four with Ryan, Liam, Daniel S and Reece providing the base and very determined control of the midfield by Jamie and Mathew. If we can carry this forward into the rest of the season then the long awaited Home games should bring us course for optimism.
